GOVERNOR ASKS AID TO LOCATE ENEMIES

Requests Residents to Report All
Disloyal Citizens

TO STIMULATE PATRIOTISM

Letters Received by Many People
from Chief Executive — Berlin
Grange to Hold Two Days' Carnival—Union Service at Berlin Church.

Calling upon the citizens of Berlin to carry on a campaign to cultivate and to stimulate patriotism and also asking the assistance of all to ferret out the alien enemies residing here and to report to the proper authorities any treasonable acts or utterances, many local people have received letters from Governor Marcus H. Holcomb. In his letter, Governor Holcomb denounces persons who do not uphold the government as enemies to this country. The chief executive calls upon every person "to be as aggressive in creating loyalty to this country as Germany is to promote disloyalty and treachery."

The letter follows:
"The United States has been forced into this twentieth century war by and against an unscrupulous enemy which is prosecuting the war by inhuman, barbarous and piratical methods. The result of this war will decide whether a permanent peace will be assured and whether or not the liberties of the peoples of the world shall survive and be preserved."

"It is obvious that too large a proportion of the residents in our country do not comprehend the vital importance of frustrating the designs of our enemy and emancipating the world from tyranny and war."

"Millions of peoples have come to reside in this country to enjoy its privileges and opportunities. It is their duty, whether they are citizens or alien residents, to uphold the government. Any person who does not do this is an enemy to this country and should be classed as such. 'He that is not with us is against us,' and anyone who gives aid or information to our enemy is liable to arrest and punishment. It is the duty of the alien, as well as the citizen, to help America in this war. Every person who sympathizes with our enemy has no right to reside here. It is the duty of every American citizen to possess of aggressive patriotism and to endeavor to impart it to every resident in this country, whether citizen or alien. It is the duty of every resident to immediately report to the proper authorities any treasonable acts or utterances from any source which may come to his knowledge."

"I call upon every loyal citizen to carry on a campaign of education with a view to cultivate and stimulate patriotism in this country. Let us be as aggressive in creating loyalty to this country as Germany is to promote disloyalty and treachery."

M. H. HOLCOMB.
"Governor."

A thorough canvass of every house will be made and pledge cards will be distributed. Some large donations are looked for. It is also hoped that those not in a position to assist with large amounts will donate any sum that they are in position to give. It is the plan of the committee to have every individual in Berlin subscribe something.

The money will be used for equipping libraries and Y. M. C. A. buildings to look after the welfare and comfort of the soldiers. PNEUMONIA CLAIMS ITS SECOND VICTIM

Mrs. Edwin A. Freeman Died at
Her Home Last Night

WILL BE MOURNED BY MANY

Council of Recognition Meets and Inducts Rev. E. C. Gillette Into Office of Pastor of Plainville Congregational Church—Campaign Starts Monday.

After about five days illness with pneumonia Mrs. Edwin A. Freeman succumbed to the ravages of the disease last night at 6 o'clock at her home at the corner of West Main and Washington streets. Efforts of doctors and nurses to save her life were to no avail. She is the second victim of pneumonia in this town within the past three days.

A week ago Mrs. Freeman complained of having a hard cold and medical attention was immediately secured. In spite of efforts by attending physicians the cold developed into pneumonia from which she never rallied. From the time pneumonia set in small hopes were held out for her recovery.

Besides her husband, Edwin A. Freeman, who is a Civil War veteran and acted as moderator at the last election, she is survived by a daughter, Mrs. Everett Lewis of Hyde Park, Mass., and a son, Philip Freeman, a graduate of Yale University and at present employed at the Coe Brass works in Torrington, Conn. Both her son and daughter were with Mrs. Freeman at the time of her death. She is also survived by seven grandchildren.

The funeral will be held at 2 o'clock Monday afternoon from the home. Rev. E. C. Gillette, pastor of the Plainville Congregational Church will officiate and interment will be in West Cemetery.

Mrs. Freeman was born in the small town of Hartwick, N. Y., 72 years ago, removing from that place to Wallingford, Conn., where she was united in marriage with Edwin A. Freeman, who at that time was employed as a railroad man. Mr. and Mrs. Freeman removed to this town 27 years ago and since that time have resided in Plainville, leaving the town but intermittently to spend the winter months in Southern climes. Mr. and Mrs. Freeman had planned to go South this year just about the time she was stricken with pneumonia.

The town will mourn deeply the loss of Mrs. Freeman. She was a devout Christian and a life long member of the Congregational church, becoming affiliated with the local parish shortly after her advent here. She always assumed an active part in civic matters and in the social life of the community and could be found among the foremost to contribute to the welfare of the town.

The married life of Mr. and Mrs. Freeman was one of life long devotion. Their marriage was a happy union. As years passed by and time left its mark upon the brow of the aged couple they seemingly became more endeared to each other. Two years ago Mr. Freeman bravely underwent an operation which would have deterred many a younger man. Two weeks after he had been operated on he returned to Plainville—smiling—although the operation had necessitated the loss of a limb. Since that time he and Mrs. Freeman were constantly together and their lives were made brighter by their devotion for each other. Mrs. Freeman was constantly at the side of her husband to grant his slightest request.

New Minister Inducted Into Office.
The council of recognition inducting Rev. E. C. Gillette into the office of pastor of the Plainville Congregational church was held yesterday afternoon and evening. There were 15 churches represented at the business session of the council which met in the church parlors. Rev. Henry W. Maier, D. D., was elected moderator and Rev. S. A. Fiske of Berlin scribe. Frederick Rullen, clerk of the church, presented the record of the church's action in calling Mr. Gillette. Mr. Gillette then presented his credentials and made a statement of his religious experiences and belief.

Following this session the ladies of

the church served a bountiful supper for the guests and officers of the church.

The public services in the evening were largely attended, representatives from other churches in the town being present. The church in Canaan, from which Mr. Gillette was called, was represented by R. D. Pierce and Dr. J. D. Adams.

The invocation and scripture reading was by Rev. F. L. Grant, formerly pastor of the Plainville church. Rev. Dr. Maier of New Britain preached a strong sermon on "Faith, Hope, and Love." The installing prayer was by Rev. Otis W. Barker, interim pastor of the church. The "charge" was ably given by Rev. S. A. Fiske of Berlin and the right hand of fellowship was heartily given by Rev. R. H. Burton rector of the Plainville Episcopal church and dean of the ministers of the town. There was an anthem by the choir of the church and a duet was rendered by Mrs. L. L. Brastow and Frank Usher.

After the service a delightful reception was given for Mr. and Mrs. Gillette, Mr. and Mrs. Charles Calor assisting in the receiving. The reception was in charge of Mrs. Charles Clark, Mrs. Frederick Bullen and Mrs. John Trumbull. They were assisted by Mrs. Arthur Rogers, Mrs. Donald Benjamin, Mrs. Charles Newton, Mrs. Edwin Hills and Mrs. Dwight Clark.

The supper was in charge of Mrs. Walter Oldershaw who was assisted by a large committee of the ladies of the church.

REV. E. C. GILLETTE.

Rev. Mr. Gillette who began his new work in this town on October 7 is a native of Hartford and a graduate of the schools of that city and of Williams college. After his college preparation at Williams and his seminary course at the Hartford Theological seminary he took a home mission field at Southfield and New Marlboro, Mass., going to Canaan, Mass., after five years service. In Canaan he completed 15 years of service, making 20 years in all in those adjoining towns.

The following clipping from a Canaan newspaper shows to what extent he had become endeared to his congregation in that place:

"To think of Pilgrim church without Edward Carlton Gillette at the head of all its varied life, or of Canaan without the genial pastor of Pilgrim church associated with people of all the other churches and no church relationship brings up a feeling of the loss of a dear friend. He had so grown into the affections of the people of the community that to consider him their pastor too. He to consider him their pastor too. He was gladly welcomed in all homes and no community event was complete without his presence."

In Canaan Mr. Gillette served as president of the Canaan choral society since its organization and for one year was president of the county choral union.

He was also a vice president of the Litchfield County University club and for three years the moderator of the Litchfield North Association of Congregational churches.

A member of Housatonic lodge, A. F. and A. M. he was appointed grand chaplain at the last annual gathering of the Grand lodge. He also served as a member of the school committee for three years and in the brotherhood movement was a prime factor. He was an active member of the Business men's association and rendered effective service on important committees.

In his church and community work he was ably seconded by Mrs. Gillette who was a member of the ladies organization of the Pilgrim church and of the Red Cross auxiliary.

The Congregational church in Plainville has become a member of this larger community Mr. and Mrs. Gillette should find a wider scope for their consecrated energies.

Since Rev. Gillette's advent to Plainville he has become a member of the local company of the Home Guard and has been active as a member of the War Camp Community and Recreation fund committee. In addition he took part in the last Liberty Loan campaign and is a member of the Liberty chorus.

At the Churches.

missionary, will relate some of his experiences during eight months of service with the Y. M. C. A. with the British army on the "Drive to Baghdad."

Mr. Hudson mixes humor and pathos in his story and tells of many touching incidents which form the value of the Y. M. C. A. in army life. This address is especially timely in view of the fact that the drive for \$25,000,000 to be used in Y. M. C. A. army service will start Monday. The public is cordially invited to attend.

Plainville Episcopal church—The morning service will be held at the usual time, 10:45. During the absence of Rev. R. C. Burton who will occupy the pulpit in the Episcopal church in Unionville tomorrow C. H. Pasco of New Britain will officiate. The Sunday school will assemble at noon.

To Hold Annual Meeting.

The Social Welfare League will hold its third annual meeting for the election of officers, and the consideration of its winter's work, Wednesday, November 14, at 3 o'clock at 55 Whiting street. Since its organization Nov. 14, 1914, the League has done some efficient work, especially in the hard winter of 1914. During the past year its work has been quietly carried on by Mrs. Hiram Lowrey its vice president. While it has never at any time handled much money, it has handled quantities of clothing which it has used to the advantage and benefit, not of individuals alone, but of the town itself, saving it many dollars.

With little money, and with very little clothing, the League is now facing what promises to be an unusual winter in regard to need. With the all-important work for the soldiers taking the first place, as it must, and with the packing of missionary boxes and barrels by the churches, it is going to be easy to lose sight of our own people until the great need comes and finds us unprepared. So in this time of universal pleas for help the League feels that it must make a strong appeal for contributions of clothing and shoes, indeed for anything which can possibly be spared from these other objects. While all may not be able to purchase Liberty Bonds, every person in Plainville can help along some line.

Campaign Starts Monday.

The Y. M. C. A. war camp fund campaign will start Monday morning in this town. The town of Plainville has been allotted \$2,500 as its quota and efforts will be made to raise this fund. The work will be carried on mainly through the efforts of the local committee of the Connecticut State Council of Defense and aides appointed to carry on the issue.

At a meeting Thursday night the following workers were appointed, divided up into teams, each team being assigned certain territory in which they will solicit donations in the house-to-house canvass which is to be made.

1—S. S. Gwillim, B. W. Edwards, C. A. Case, R. N. Bennett, R. L. Seymour, Bicycle, Park, Tomlinson, East, Hamlin and Maple streets.
2—R. C. Usher, Henry Trumbull, C. R. Clark, F. F. Usher, Pine street, Woodford avenue (Mountain View and Westwood), New Britain avenue.
3—F. T. Wheeler, C. R. Sherman, J. Lamb, Farmington avenue, East Main, Hough and Crown streets.
4—L. L. Brastow, D. Clark, John Solomon, Whiting street, Broad street east from Whiting to Town line.

The Boy Scouts will also help in the work and Principal O. L. Judd of the grammar school will solicit donations at the school.

Pastors of the different churches will speak tomorrow on the project.

Henry O'Hara.

The funeral of Henry O'Hara will be held from his late home at Elm Court at 12:45 tomorrow, a service followed by services at 1:30 at the church of Our Lady of Mercy. Interment will be in St. Joseph's cemetery on Farmington avenue.

Notice.

After this date all coal is C. O. D. or paid in advance and after Dec. 1, nothing less than 1/4 tons delivered.

H. C. THOMPSON.

BRIEFS OF STATE TERSELY TOLD

Big Shortage of Coal in Bridgeport Is Causing Suffering

Bridgeport—With hundreds of families suffering for want of coal according to the chairman of the local fuel committee several coal dealers are holding up coal in large quantities on the claim that they require it to fill old contracts. The dealers are holding fuel so they may in the future deliver coal to people who order months in advance.

The fuel committee claims that dealers are doing everything in their power to help in the distribution of coal, but according to reports from local people today the dealers refused orders for coal in spite of the fact that many tons have been received in the city during the past few days.

Lasky's Troubles.

Waterbury—The troubles of George Lasky, saloon keeper at 771 Bank street continue to grow, as he repeatedly becomes enmeshed in the arms of the law, and in city court this morning he was again charged by the liquor prosecutor with violating the excise laws. Lasky is alleged to have told a member of the police department that he had \$10,000 to spend fighting the police, and his subsequent arrests seem to prove that it will cost him a large share if not all of that sum.

Lasky a short time ago was arrested by two policemen for trouble he is alleged to have caused when the officers knocked at his rear door after closing hour, and questioned him regarding the identity of men still in the place. Later he was arrested for selling to minors, and Judge Larkin found him guilty of the charge and fined him \$200 and costs. His counsel gave notice of an appeal and a bond was filed.

Flag Desecrated.

New Haven—An astounding case of the desecration of the American flag was reported to the Grand avenue police yesterday morning by Charles Carron, proprietor of a confectionery store at James and Chapel streets, with the result that a stringent investigation has been launched in an effort to bring about the capture of the offender. Carron, it seems, had had the flag hanging from in front of his store for several weeks. As he was about to open his establishment this morning, he noticed that the flag had been twisted in some manner.

Girl Dies of Burns.

Norwich—Mabel Hale Harrington, a seven-year-old child living with her uncle and aunt, Mr. and Mrs. Frank Harrington of Roosevelt avenue, this city, was burned to death shortly after 4:30 yesterday afternoon. She had been left alone in the kitchen by her aunt who, upon returning, found the child lying on the floor with her clothes smoldering. The child was dead. It is thought she was playing about the stove and in some manner her dress caught fire.

Mentions Winsted.

Winsted—A letter was received by the Maxfield Motor Car Co. from Mrs. T. H. Nuell, 733 North Sixth street, Allentown, Pa., saying Miss Rosa Harless is in a precarious condition in a hospital there. The girl murmurs "Man in garage Winsted." Mrs. Nuell wrote to Winsted hoping that a relative or friend of the girl might be located. The letter has been turned over to the police.

UNFILLED ORDERS.

New York, Nov. 10.—Unfilled orders of the U. S. Steel corporation on October 31, last, were 9,009,675 tons, according to the monthly report today. This is a decrease of 23,802 tons from the orders of September 29 and is the sixth successive monthly decrease.

MISUSE OF OFFICE.

Paris, Nov. 10.—The court of cassation sitting as a disciplinary court today condemned Fernand Monier, president of the Paris court of appeals, to the maximum penalty for misuse of his office. The penalty is dismissal from office.
